Nov 16 Your New Online Banking System is waiting for you. Download the mobile app, and go to www.FABT.bank for the FABulous New Digital Transformation!

Use This Guide for a Quick Start on November 16th!

 Visit our **New and Improved Website** at www.FABT.bank and download the mobile app FABTGo from the App Store or Google Play

From the **Log-In Drop Down** options choose Personal Banking and log in with your current User ID and the last 4 digits of your Social Security number. Please contact us if you have any difficulties.

Business Banking Customers: please be on the look-out for a letter from us via USPS as well as email in early November providing you with your log in instructions.

Follow the system prompts to create your new password. Click "Show Rules" for a guide on what special characters are accepted.

Two Factor Authentication is part of the new enhanced security. A code will be sent by text or phone call, whichever you specify during this process.

Good News! You only need to complete these steps once and your log in information is same across all digital devices.
